

Choosing Your Album Theme

I Love You

- Messages celebrating the characteristics you treasure most in another
- To tell someone...
 - that your life is better because they are in it
 - what it is about them that you love or admire
 - how they positively influence your life
- For anyone you love, appreciate or want to honor

I Wish for You

- Expressing your highest hopes for the well-being of one you care for
- To tell someone
 - that you hope and dream the very best for them
 - that your love and support is constant and ongoing
 - the pearls of wisdom that have helped you along in your life
- For baby or child, graduate, new parent(s), newlywed(s), those in crisis, those in transition

Custom (aka Anything Goes!)

- Your own written memories and thoughts celebrating any occasion; or blank journaling boxes in which to handwrite messages
- To express...
 - memories
 - appreciation
 - thanks
 - recognition
