

## Tips for Writing *Custom Messages*

### Guidelines:

- ♥ Your Custom Album includes any journaling you'd like - memories in general, descriptions for the adjacent photos—it's an opportunity to express what's important to you.
- ♥ Make it personal, if appropriate—be emotionally gutsy! It's your chance to speak from your heart and have your feelings captured in a tangible, permanent way.

### Steps:

- ♥ Using *Custom Messages*, there is straight text, no highlights. Just write away!
- ♥ If you'd *like* to highlight a phrase, simply write your text using the **highlighted text** blank as appropriate on the following worksheet.

## Messages Worksheet

- For Custom albums, write continuously across all broken lines as if they were one (to 250 chars).
